To Whom It May Concern:

To answer your concerns regarding Material Safety Data Sheets for Roll Vent, Rapid Ridge, Cougar Vent, Home Slicker, Cedar Breather, and Blockade purchased from Benjamin Obdyke Incorporated, these products are exempt from regulations requiring MSDS.

According to 29 CFR 1910.1200, MSDS must be supplied for all hazardous chemicals. "Articles" are exempt under these regulations.

Benjamin Obdyke Incorporated feels that Roll Vent, Rapid Ridge, Cougar Vent, Home Slicker, Cedar Breather, and Blockade are in fact "articles" and are, therefore, exempt. However, our products are made of polypropylene, Nylon 6 and polyester.

Sincerely,

A handwritten signature in black ink, appearing to read "George Caruso".

George Caruso
Product Development Manager
