

Slicker® Classic System Warranty

Benjamin Obdyke Incorporated – 400 Babylon, Suite A, Horsham, PA 19044

Benjamin Obdyke Incorporated (Benjamin Obdyke) provides the following warranty to **Builders, General Contractors or Professional Installers** upon the terms and conditions set forth herein. This warranty is transferable upon effective assignment to the owner of a residential building at time of installation or the original owner of the residential building.

This **Limited Warranty** is effective for Benjamin Obdyke Products ("Products") identified below and purchased and installed after **January 1st, 2015** in Canada and the United States.

20 YEAR PRODUCT ONLY LIMITED WARRANTY

Benjamin Obdyke Incorporated ("Benjamin Obdyke") warrants that Slicker® Classic Rainscreen (6mm and 10mm) when installed in accordance with Benjamin Obdyke's published installation instructions, is free from manufacturing defects for twenty (20) years from the date of purchase. To obtain service under this twenty (20) year product warranty, you must promptly contact Benjamin Obdyke at www.Benjaminobdyke.com or call 1-800-523-5261 regarding any potential claim, no later than thirty (30) days after you discover any potential claim, and you **MUST** provide Benjamin Obdyke with proof of purchase and/or of installation of the Products within the applicable warranty period. You must provide Benjamin Obdyke with a reasonable opportunity to inspect the building within sixty (60) days after Benjamin Obdyke receives notice of your potential claim. You must also provide access to Benjamin Obdyke to recover samples of the Products from the actual installation in sufficient quantities in order to perform testing to determine whether or not the Product failed due to causes as set forth herein.

If the Product(s) contains a defect covered by this warranty, Benjamin Obdyke, at its sole discretion, will either, (a) pay for the cost of materials to repair or replace the Slicker® Classic (6mm and 10mm), (b) provide a replacement housewrap/flashing product of equal quality or value as a substitute, or (c) refund the original purchase price of the Slicker® Classic (6mm and 10mm). **In no event shall Benjamin Obdyke be obligated to pay for the cost of labor for such repair or replacement.**

25 YEAR PRODUCT AND LABOR LIMITED WARRANTY

Subject to the following Product specific terms and conditions, Benjamin Obdyke warrants that for a period of twenty-five (25) years from the date of purchase, Slicker® Classic (6mm and 10mm), FlatWrap® UV, HydroFlash®, and HydroCorner™ products when installed in strict accordance with the applicable Benjamin Obdyke Installation instructions, in a properly constructed and designed wall system, following the applicable building codes and accepted industry standards for each type of structure, will:

for Benjamin Obdyke Slicker® Classic Rainscreen (6mm and 10mm):

- On structures five (5) stories or greater and any **Multi-Family, Mixed Use and Light Commercial projects** you **MUST** use the Project Registration process prior to installation to qualify under the Product and Labor Warranty. For Project Registration details, please see www.benjaminobdyke.com or call 1-800-523-5261 **BEFORE** you commence installation.

When all conditions under this Product and Labor Warranty are met, if damage to the building is caused solely by the failure of any Product to meet the drainage, water and air holdout specification in the applicable Physical Property specification sheet, then Benjamin Obdyke will provide **replacement Product for all defective Product and pay all reasonable construction repair costs to correct any problem that arises solely out of the failure of the Benjamin Obdyke Products to conform to its published characteristics**. Benjamin Obdyke will not have any liability under this warranty for the repair or cost of repair for more than the actual area of damage not to exceed \$20,000 per dwelling.

PRODUCTS COVERED AND PRODUCT SPECIFIC CONDITIONS:

Benjamin Obdyke Slicker® Classic Rainscreen (6mm and 10mm), FlatWrap® UV, HydroFlash®, HydroCorner™

- **FlatWrap UV Commercial WRB** must be used as the primary WRB component in the rainscreen wall system.
- **HydroFlash Self-Adhered Flashing** must be used along with applicable accessories as listed on Benjamin Obdyke Approved Products list.
- **HydroCorners are optional** and can be used to treat sills, but must be used along with **HydroFlash** per installation instructions.
- Taping of seams is not required, but **HydroFlash (2.5 in width or greater)** *must be used* if seams are taped.
- Substitution of any other products or installation methods not approved in writing prior to installation will void this Product and Labor Warranty.
- If secondary “sacrificial” layer is required for masonry/stone veneer/stucco applications, any product that meets minimum building code requirements can be used.

Subject to the foregoing conditions and providing all applicable Benjamin Obdyke Products are used exclusively (no substitution of alternate product unless approved in writing), the Product and Labor Warranty will apply except as noted. This warranty will not cover any non approved / non compatible products or damages arising therefrom. Please visit www.benjaminobdyke.com for list of approved products.
