

July 30, 2026

To Whom it May Concern:

In response to your request for Material Safety Data Sheets for Cedar Breather®, AeroNet®, Slicker® Classic, Slicker® MAX, HydroCorner®, & Batten UV purchased from Benjamin Obdyke Incorporated, these products are exempt from regulations requiring MSDS.

According to 29 CFR 1910.1200, MSDS must be supplied for all hazardous chemicals. "Articles" are exempt under these regulations.

Benjamin Obdyke Incorporated feels that Cedar Breather®, AeroNet®, Slicker® Classic, Slicker® MAX, HydroCorner®, & Batten UV products are in fact "articles" and are, therefore, exempt. As a point of information, the products stated above are made of polypropylene, Nylon 6 and polyester.

Sincerely,

A handwritten signature in black ink, appearing to read "Kaylen Handly".

Kaylen Handly
