

RAPID RIDGE®
NAIL-GUNNABLE
RIDGE VENT

Rapid Ridge® nail-gunnable ridge vent offers the quickest installation of any rolled roof ventilation product on the market, complete with superior weather and insect infiltration protection. The lightest ridge vent on a roll, Rapid Ridge is available in three widths - Rapid Ridge Standard, Rapid Ridge 7, and Rapid Ridge Metric.

Code Approvals:

Texas Department of Insurance Product Evaluation (RV-01) - Standard Only
Florida Building Code (FL 7751) - Standard Only
Meets or exceeds: ICC, FHA, HUD, and NBC

Low profile design provides sleek and almost invisible protection

Breathable weather barrier prevents rain, snow, and insect infiltration

Wing tip design prevents shingles from folding over ridge vent, cutting off ventilation

See-through hinge makes it easy center over the ridge

End plug free installation saves time by shingling over

Hot dipped galvanized nails included, 1.75 in

Nail-gunnable for fast installation

Compression resistant design
