

HIGH PERFORMANCE WRB

BenWrap® is a high-performance weather resistive barrier. When used in conjunction with a rainscreen wall, it provides superior bulk water drainage, exceptional vapor permeability and durability. BenWrap® is a perfect complement to Benjamin Obdyke rainscreen products as the WRB component in a rainscreen wall system.

Premium tri-laminate WRB provides optimal strength while protecting the water resistant film layer

Resists damage from surfactants that can compromise other brands of WRB

Vapor-permeable design helps moisture escape from the wall assembly

Ideal weather resistive barrier to be used in combination with Benjamin Obdyke rainscreen products

Taping of seams not required, reducing cost of labor and materials
