To Whom it May Concern:

In response to your request for Material Safety Data Sheets for Roll Vent®, Rapid Ridge®, Cougar® LP Ridge Vent, Xtractor Vent®, and Shark Vent® purchased from Benjamin Obdyke Incorporated, these products are exempt from regulations requiring MSDS.

According to 29 CFR 1910.1200, MSDS must be supplied for all hazardous chemicals. “Articles” are exempt under these regulations.

Benjamin Obdyke Incorporated feels that Roll Vent®, Rapid Ridge®, Cougar® LP Ridge Vent, Xtractor Vent®, and Shark Vent® products are in fact “articles” and are, therefore, exempt. As a point of information, the products stated above are made of polypropylene, Nylon 6 and polyester.

Sincerely,
